CANYON SPIRITS DESERT DANCE COLLECTION

In the Native Tradition of the artist's ancestors there are many stories of the Spirit and Thunder Beings. The spirit people are sometimes seen by medicine men and women and by wise elders. The Spirit beings are said to bring messages to earth from the spirit world. They also bring thunder, lightning and rain to replenish our earth as well as offer us protection. Enamelled glass with fine silver presented on maple with steel and marble.

22" high by 9" wide by 6" deep each
